# A DIFFERENT BREED OF GOLF CENTRE

Leeds Golf Centre is a breath of fresh air for golf lovers.

On the one hand you'll discover everything a classic club has to offer including beautiful yet challenging courses, extensive pro shop and a light-filled bar and brasserie.

On the other, you'll find an exciting world of modern attractions such as an indoor computerised golf simulator, putt and balance lab, floodlit covered driving ranges and that latest craze, footgolf.

We're really flexible too. You can become a member or simply pay and play...shoot a full 18-holes or opt for 12-holes when time's tight...and our club, trolley and buggy hire is perfect for occasional players.

So come and explore Leeds Golf Centre.  
We truly are the Home of Modern Golf.

# TWO SUPERB COURSES, ENDLESS THRILLING ROUNDS

We offer two very different courses here at the Leeds Golf Centre: our championship 18-hole Wike Ridge course and our unique 12-hole The Oaks 3-par course.

Each boasts billiard table greens and manicured fairways, and each is spectacular in its own way; but together, they cater for every type and ability of player.

## THE OAKS PAR-3 COURSE

This distinctive par-3 course features 12 delightful holes of widely varying length, with gently undulating greens to provide a challenge for players of all standards.

With fewer hazards than Wike Ridge, this is a great choice for beginners and juniors and more experienced golfers looking to sharpen their iron play.

## WIKE RIDGE

Our championship golf course offers 18 dramatic holes set within stunning woodland scenery.

With bunkers galore and breathtaking water hazards including a lake and fountain guarding the 18th green, Wike Ridge has been beautifully created by master course designers to offer a complete golfing experience.

Featuring our impressively long 629 yard second hole, this course is an exhilarating challenge for even scratch golfers.

# TUITION OF THE HIGHEST ORDER

Leeds Golf Centre is proud to be the UK headquarters of the world renowned Leadbetter Golf Academy.

That means we have the very finest Leadbetter-qualified instructors who are always on hand to run group instruction and private tuition for players at every level.

We also run frequent David Leadbetter Golf Camps for juniors.

Our in-house PGA qualified instructors have coached Ryder Cup and European Tour pros, LPGA stars and national teams. Some have played for their country, and every member of our staff are wonderful ambassadors for the game.

# HIGH TECH FOR HIGH ACHIEVEMENT

As a forward thinking academy we believe in embracing technology. So not only do we boast two swing studios, we've also kitted them out with Europe's largest collection of computerised aids to enhance the game of players at every level, including:

- > **FLIGHTSCOPE**  
A golf radar and simulator system to improve your ball control
- > **V1 VIDEO ANALYSIS AND TUTORIALS**  
Helping you to perfect your swing
- > **SAM PUTT & BALANCE LAB**  
Giving you the edge on the green

You'll receive instruction either in our dedicated teaching studio or our driving range, and a video recap of the lesson sent to you by email will help you to remember all the key points.

# PERFECT PRACTICE FACILITIES

Practice makes perfect, and when you wish to build on your skills you'll find an impressive choice of practice facilities, including:

- > 15-BAY FLOODLIT COVERED DRIVING RANGE (complete with members grass teeing zone)
- > OUTDOOR SHORT GAME ZONE  
1 large putting green, 2 chipping greens
- > INDOOR GOLF SIMULATOR
